I am excited to be your child’s teacher for this important year here at South Fork Elementary!

Here is some information that you need before school begins.

- School begins on Friday, August 17th
- Kindergarteners should be accompanied by a parent or another adult on the first day. Please DO NOT send your child alone or on the bus on that day because they will not stay for the full day. Plan on coming down to the classroom with your child when the bell rings. Supplies will be put away and at that time I will discuss and pass out important information regarding the school year and will be available to answer any questions you may have about this new experience. The bus driver will also come by to answer any questions you may have about busing.

  Please remember that the only things that should be labeled are your child’s scissors, headphones, notebook, and folders. All other supplies will be in a community area for convenience to our classroom atmosphere.

- The First day of Kindergarten will include breakfast in the classroom after the bell, a photo booth, craft, promethean board child/parent game, and a general overview and sample of what your child will be doing in the classroom this year.
Our activities should end at 10:30 at the latest. The rest of the grade school will be dismissed at 2:05.

- Please plan on bringing your child’s supplies on the first day. Lists should be available here at registration or at the Walmart.
- Refer to your Student Handbook for more information such as no flip-flops or sandals without ankle straps allowed.

I am looking forward to working with your child in Kindergarten. Please contact me with questions or concerns. I want your child to have an enjoyable and successful year!
