October 29, 2020

South Fork Families and Staff,

Monday, November 2nd will be a remote learning day for all students. There are a few reasons as to this move, but big picture, I feel it is in the districts best interest to do so.

First, we already have Tuesday, November 3rd off for election day. Taking Monday gives us four consecutive days of non-exposure following Halloween weekend. This is valuable time when we start to discuss contact tracing. It also may allow for the onset of new symptoms for any that may contract the virus. It also gives us time to receive test results that are currently pending.

Secondly, it gives us another day of practice if we would need to go full remote. We have one trial day under our belt and I am sure there are ways to grow and improve on that day. You, the parents and students completed surveys for us after the first day. We have reviewed your comments, suggestions, and recommendations as how we can improve. Hopefully this experience will be better than the first but not as good as the next.

I am sorry for any inconvenience this may cause for your family. We are committed to providing your child and our staff with a safe and healthy environment. Thank you for your understanding and ongoing cooperation with our Covid-19 prevention policies and procedures as we work to help protect your children, your families, and our staff and their families. For any questions or concerns, please contact us at 217-237-4333.

Respectfully,

Chris Clark
South Fork Superintendent
