November 19, 2020

South Fork Families and Staff,

As of Thursday, November 19th, we have been notified that an individual associated with South Fork PM Pre-Kindergarten has tested positive for Covid-19. Upon receiving the documented result, we contacted the Christian County Health Department for guidance and performed contact tracing.

With the information we collected, we have made the decision to offer Pre-Kindergarten, both AM and PM remotely until Monday, November 30th. No other individual outside of the Pre-Kindergarten classroom was exposed. With this being the case, we will continue to offer in-person learning for all grade levels outside of Pre-Kindergarten.

Although no one was exposed, we remind you to evaluate yourself and your family for signs or symptoms. It is important to be truthful with yourself and stay home when you have these. It is also important to seek medical advice when you do experience these. An alternative diagnosis or testing by your healthcare provider helps maintain the safety of both students and staff at South Fork

We are committed to providing your child and our staff with a safe and healthy environment. Thank you for your understanding and ongoing cooperation with our Covid prevention policies and procedures as we work to help protect your children, your families, and our staff and their families. For any questions or concerns, please contact us at 217-237-4333.

Respectfully,

Chris Clark
South Fork Superintendent
