12-13-2020

South Fork Families and Staff,

I do apologize for communicating on a Sunday, but we have been notified that an individual associated with South Fork High School has tested positive for Covid-19. While this is the second positive test we have confirmed, the cases are not related. Since it is a Sunday and we cannot properly conduct contact tracing effectively, we are moving all **High School Classes** to remote only tomorrow, **Monday, December 14**. Students, please log in to classes at the appropriate times. Attendance and grades will be collected for this day.

Tomorrow, we will be contacting the Christian County Health Department for guidance and performing contact tracing within the district. Those individual students or staff members who we believe were in "close contact" with the new positive case will be contacted directly by the Health Department or the School District and placed in quarantine. More information will be shared directly with the students and/or staff members affected. Hopefully, we will be able to resume in-person instruction on Tuesday, December 15.

As always, everyone should monitor their health and stay at home if they develop symptoms. Sick persons should contact their health care provider to determine if testing is needed. Anyone who develops severe symptoms should seek medical care immediately. If your child has had close contact with a known case of Covid-19, keep the child at home and notify your primary healthcare provider, their South Fork School, and your local health department.

We are committed to providing your child and our staff with a safe and healthy environment. Thank you for your understanding and ongoing cooperation with our Covid prevention policies and procedures as we work to help protect your children, your families, and our staff and their families. For any questions or concerns, please contact us at 217-237-4333.

Respectfully,

Chris Clark  
South Fork Superintendent
