March 15, 2020

Due to the recent news of two confirmed COVID-19 cases in central Illinois, South Fork School District will be closed on Monday, March 16 along with the other dates mentioned before.

We will have the school doors open from 9 AM – 12 PM for any student who may need to get something from their locker for the break. The elementary will also be issuing Chromebooks during this time to students in grades 3-5 who need to have one over the break. We understand most people have computers or tablets, but if you do not, you can borrow a Chromebook to keep your child active in learning. During the break, if you encounter any technical trouble with the Chromebook, remember to use the ehelp@southforkschools.com email for assistance. During the break, teachers will be in contact with students keeping them engaged in some form of learning.

Lastly, the district will be offering free grab and go meals for South Fork Students in grades PreK – 12 through the high school cafeteria during the hours of 8 AM – 10 AM, Monday - Friday. For families that may have trouble making it to the cafeteria to pick up, we will offer delivery. There will be a form on the district website that you will need to fill out daily by 8 AM. This form will let us know to whom and where we are delivering the items.

Thank you all, be safe and stay healthy during the break.

Sincerely,

Chris Clark
SF Superintendent
