May 14, 2020

Dear students, parents, and community;

As the school year wraps up, I want to thank you all for your hard work and perseverance as we maneuvered through these unprecedented times. I know learning from home is not the best scenario for growth but it is the safest way in these troubling times. During these times, we as a district have grown and learned. We are always looking for ways to engage students in learning and this opportunity has opened our eyes to new and creative ways to reach a child.

The end of the official remote learning will be on May 22. This date will also conclude the breakfast and lunch program offered through the cafeteria. We will take the last week, May 26 – 29, to check out with students and provide opportunities to return your Chromebook. More specific directions for ending the school year will come from the different building levels.

Again, we thank you for your cooperation. Enjoy your summer break. Stay safe and healthy. We hopefully look forward to starting the school year in August back in the classroom.

Educationally Yours,

Chris Clark
South Fork Superintendent

Michelle Rogers, *Elementary Principal*
