February 24, 2022

8th Grade Parents,

It is hard to believe the school year is moving along so quickly. As we look to conclude the school year, this is around the time we are finalizing the school calendar. This year saw the school district utilize all five of the emergency days the state requires in a calendar. With that said, the new date for the end of school is now June 2nd.

With the school year being extended, we need to adjust the tentative district calendar. The 8th-grade promotion ceremony will be moved **from May 25th to June 1st**. This change allows the district to utilize and maximize the number of instructional learning days. In addition, the class sponsor will be working with the class to schedule other end-of-the-year activities.

We understand how important this type of ceremony can be for both students and families. Hopefully, we have given you an appropriate amount of time to adjust your calendars. As we look to conclude the year, we wish your child the best of success as they look to complete their junior high careers.

Michelle Rogers, *Elementary Principal*
