### PART D - Teacher Salaries and Board-Paid or Tax-Sheltered Retirement

Yes  No  Are Teacher Retirement System monies included in the salaries reported in your salary schedule?

What percent of the teachers' salaries is paid by the board to TRS? If none, please enter 0. 9.4 %

This includes the teacher's share of 9.4%. If the board pays all of the teacher's share, the maximum compounded percent is 10.4. It excludes THIS (insurance).

Please enter annual teacher salaries from your schedule or policy in the spaces provided. INCLUDE board-paid or tax-sheltered retirement contribution in the salaries but exclude fringe benefits. (If your district pays for retirement, and if salaries in the schedule do not include retirement, please add the retirement dollars to the salaries when reporting in Part D.)

DO NOT include individual compensation resulting from (1) extra curricular duties, (2) employment beyond the regular school year, (3) longevity service (pay beyond the schedule's last step or policy), or (4) any other benefit except for retirement.

1. Salary reported to TRS. If there is a different salary schedule for the first and second semesters, average the two salary schedules for a yearly salary schedule.	BACHELOR'S No Extra Hours		MASTER'S No Extra Hours			MASTER'S + 30-32 Semester Hours Only		Highest Scheduled Salary
	Beginning	Maximum	Beginning	10th Year	Maximum	Beginning	Maximum	
	\$ 31397	\$ 53606	\$ 33201	\$ 39379	\$ 57987	\$ 34863	\$ 59650	
2. Completed Years of Experience to Reach Maximum Regularly Scheduled Salary*		36 Yrs.			36 Yrs.		36 Yrs.	36 Yrs.

\* Subtract the number of your first step or year (either 0 or 1) from the maximum salary step number to arrive at the number of completed years of experience to reach the maximum salary.

What level of education is required to reach the highest scheduled salary? (Check the highest degree and enter the number of additional semester hours.)

- Bachelor's + (sem. hrs.)
- \* Master's + 30 (sem. hrs.)
- Certificate of Advanced Study (or 6 Year Specialist Certificate) + (sem. hrs.)
- Doctor's + (sem. hrs.)

**PART E - Longevity Pay**

Yes \* No Does your district provide longevity pay beyond the schedule's last annual regular salary increase?

In the spaces provided below, please enter the maximum earnings with longevity for the various degree levels. INCLUDE board-paid or tax-sheltered retirement contribution in the salaries reported to the Teacher Retirement System, but exclude fringe benefits.

DO NOT include individual compensation resulting from (1) extra curricular duties, (2) employment beyond the regular school year, or (3) any other benefit except for retirement.

If your district provides longevity pay at a certain dollar amount per year beyond the salary schedule, please estimate the maximum annual salary for longevity assuming a maximum of 34 years service. For example, if you pay teachers \$500 per year beyond the 24th year and if the regular salary at the 24th year is \$40,000 for teachers with Master's degrees, then the longevity pay should be \$45,000 (\$40,000 plus \$500 x 10 years) for this level.

Longevity pay should be greater than regular pay reported in Part D.

Unless the longevity step is shown beyond 34 years, do not exceed the TRS maximum of 34 years.

	BACHELOR'S No Extra Hours		MASTER'S No Extra Hours		MASTER'S + 30-32 Semester Hours Only		Highest Scheduled Salary	
	Maximum	Years*	Maximum	Years*	Maximum	Years*	Maximum	Years*

\* Subtract the number of your first step or year (either 0 or 1) from the maximum longevity step numbers to arrive at the number of completed years of experience to reach the maximum longevity salary.

**PART F - Fringe Benefits**

Yes No Are all full-time employees who are covered by the teacher salary schedule/policy eligible to receive the same fringe benefits coverage? (If NO, please use that which reflects the highest regularly scheduled step or policy.)

Which of the following board-sponsored fringe benefits are available to those employees covered by the salary schedule/policy?

If a fringe benefit is paid (whole or part) for the employee and that fringe benefit is offered to the family, also enter the proper cost in the family cost column. Enter the family cost regardless of whether the board is paying any of the coverage of the family. If the board pays a portion of the family coverage, enter the percent paid by the board. **If the board does not pay any of the family coverage, enter "0" in the family percent column.**

Please provide premium data for the year (annual), not month. If your district offers choices, e.g. different HMOs with different costs for Hospitalization/Health Insurance, please report only the highest cost.
