

South Fork Bus Riders,

As school begins tomorrow, we now have completed our daily bus route maps. Route maps can be found on the district webpage. As we try to establish consistency in the route times, please be at your stop in advance. Time may fluctuate in the first few days as we establish routine times with each route. Both buses will start their routes at 7:30. Please use the following descriptions and rough estimate of times as a guide as you look to make your accommodations. Lastly, all students and staff will be **required to wear proper face covering** while being transported on a bus and at school. Please have your child **masked up** and ready for the bus. Bus monitors will be on the bus to prescreen students with temperature and symptom checks.

Kincaid/Jeisyville Bus Route
